

On the occasion of the **50th anniversary of diplomatic relations between Thailand and Vietnam**, on behalf of C.P. Vietnam and as a Board Member of the Thailand-Vietnam Friendship Association (TVFA), I would like to extend my warmest congratulations and best wishes to the people of both nations. May the enduring friendship between Thailand and Vietnam continue to flourish across every dimension-economic, social, and cultural.

I would also like to express my sincere appreciation to the TVFA for its meaningful initiatives to commemorate this milestone and its continued dedication to strengthening the ties between the business communities and peoples of our two countries.

For 33 years in Vietnam, C.P. Group has remained committed to innovation and sustainability while growing alongside the communities we serve. Guided by our **Three-Benefit Principle toward Sustainability**, we create shared value for the country, the people, and the company alike.

Building on this foundation, C.P. Vietnam is ready for its next stage of growth, reinforcing our position as a trusted partner and contributing to a sustainable future for Vietnam's agri-food industry.

This year, C.P. Vietnam also proudly marks 10 years of supporting **Good Deeds from the Heart**, the humanitarian blood donation program organized by the Royal Thai Consulate-General in Ho Chi Minh City. Beyond its humanitarian impact, the initiative embodies the compassion and solidarity that strengthen the bonds between the peoples of Thailand and Vietnam.

Once again, on behalf of C.P. Vietnam, I extend my heartfelt congratulations and best wishes to the people of both nations. May the friendship between Thailand and Vietnam continue to grow stronger over the next 50 years and for generations to come.

Best regards,

Montri Suwanposri
